RE: 2011 Assessment Roll Report and Board of Review Minutes

I present to you the 2011 Assessment Roll Report for the City of Troy. This roll is the product of a full year's effort by the entire Assessing Department staff. Without their able assistance, this roll would surely suffer. I am most appreciative of the efforts they expend every year in the service of the community. Their efforts should not go unnoticed.

The **2011 Assessment Roll** is summarized as follows:

Total Assessed Value	Total Taxable Value	Residential Taxable Value	Commercial Taxable Value	Industrial Taxable Value	Personal Taxable Value
4,540,412,680	4,448,750,160	2,631,131,230	1,192,065,320	241,468,720	384,084,890

The Assessed Value decrease for 2011 is \$448,105,633 or a 9.00% decrease from 2010. This is the *fifth straight year that the Assessment Roll has decreased*. Counting the exemption of inventory from the Personal Property Rolls in 1976 (a \$6.9 million overall decrease), *this is only the sixth time, since Troy was incorporated in 1955, that the Assessment Roll has decreased, and five of those decreases have occurred in the last five years.*

This year the Taxable Value decreased \$394,862,852 or 8.20%.

The following chart represents a **5-year history of Assessed and Taxable Values**:

Year	Assessed Value	Increase (Decrease)	%	Taxable Value	Increase (Decrease)	%
2011	4,540,412,680	(448,105,633)	(9.00)	4,448,750,160	(394,862,852)	(8.20)
2010	4,985,518,313	(850,370,926)	(14.56)	4,843,613,012	(616,166,924)	(11.29)
2009	5,838,869,239	(388,224,811)	(6.23)	5,459,779,936	(102,816,074)	(1.85)
2008	6,227,094,050	(195,556,760)	(3.04)	5,562,596,010	12,079,573	0.22
2007	6,442,659,810	(186,144,940)	(2.80)	5,550,516,437	115,480,995	2.12

It should be noted that the Consumer Price Index in Michigan for 2011 Taxable Value was set at 1.70% (a multiplier of 1.017).

Part of the ongoing decrease is due to the erosion of the Commercial and Industrial values caused by the most recent years economy, and vacancy. The Residential class has been hit very hard by bank sales.

The following chart details the ratio of Taxable Value to Market Value (2 times the Assessed Value) with and without Personal Property, since the passage of Proposal "A".

The **Personal Property Roll** for 2011 is \$ 384,084,890, a decrease of \$23,905,840 or 5.90%.

A decreasing Personal Property Roll is an ongoing phenomenon. *Eleven of the last thirteen years have shown a decrease* in the Personal Property totals for the City of Troy.

The following chart illustrates the **5-year Personal Property Roll** history.

5 Year Personal Property History

For the 2011 Assessment Year there are 23,678 residential improved parcels in the City of Troy (excluding condominiums). They have an average Assessed Value of \$105,986, and an average Market Value of \$211,972. The average Taxable Value for these parcels is \$104,205.

There are currently 2,547 condominium units in the City of Troy. They have an average Assessed Value of \$58,922 and an average Market Value of \$117,844. The average Taxable Value of these parcels is \$58,602.

Including residential and condominium improved properties with residential vacant land, there are 27,188 residential properties in the City of Troy. **The total average residential Assessed Value is \$98,904** (\$104,807 in 2010), which equates to an average Market Value of \$197,809. **The average residential Taxable Value for 2011 is \$96,775** (\$102,490 in 2010).

There were 490 residential sales in the 2010 calendar year, compared to 438 in 2009. The total sales price for these parcels was \$112,319,916, for an average selling price of \$229,224. The lowest recorded residential sale was \$59,994 and the highest recorded residential sale was \$610,000.

There were also 81 sales of condominiums in 2010, compared to 74 in 2009. They had a total selling price of \$11,674,197, for an average sale price of \$144,126. The lowest recorded condominium sale was \$60,000 and the highest recorded condominium sale was \$405,000.

There were 2,269 deeds processed by the Office Assistant staff in the Assessing Department. The vast majority of these lead to the filing of a Property Transfer Affidavit that is processed by this department. In addition, we handle approximately the same amount of Principal Residence Exemption Affidavits annually.

There are currently 1,973 Commercial or Industrial zoned parcels in the City of Troy. These parcels encompass 6,609 businesses that file Personal Property returns in the City. The filing deadline is February 20<sup>th</sup>, of any given year. All of these returns are processed before the last scheduled session of the Board of Review.

Also included are the 2011 Assessment Roll Summary sheets, which summarizes most of the information in this report.

I must also compliment the staff of the Assessing Department for the valuable work they do on behalf of the citizens of the City of Troy. The telephone volume is staggering. Staff personally reviewed and changed 188 Assessments, on top of the many hundreds they each reviewed and were unable to change. Counter traffic is extreme. Even being under staffed 2 positions, no work went undone. In spite of the thousands of citizens we spoke with by telephone, or dealt with in person, I received no complaints about any of our staff, but did receive many compliments from the citizens we interacted with. Their work this year was outstanding.

I also must mention the extraordinary work performed by the citizen volunteers who served on the 2011 Board of Review. This year was difficult and stressful. The Board ran a full 7 days. They heard 193 in person appeals (252 in 2010), decided on 83 Correspondence Appeals, 110 Protection Appeals, and acted on 16 Poverty Exemptions. Another great job in a high stress environment.

Newly formatted (to save time, paper and money) Minutes of the Board of Review close this report.

I am available to answer any questions you may have.

**2011**

**Board of Review**

**Minutes**

**THURSDAY, MARCH 2, 2011**

**10:30A.M.** - Petitioners who do not have data available to protest an assessment may file a Protection Appeal with the Board. This ensures them a recorded appearance before the Board, in case they wish to appeal their assessment to the Michigan Tax Tribunal. These Protection Appeals are 'noted' (entered into the record) and 'denied' (no changes are made, as no supporting data is submitted).

**Board of Review**

**Minutes**

**THURSDAY, MARCH 24, 2011**

**11:00A.M.** - Persons who by reason of poverty, are unable to contribute to the public charges, may have their taxes exempted for one (1) year. They must meet income guidelines and an asset test that is mandated by the courts, and approved by City Council each year. In these appeals only, the Assessor and the Board must agree on the exemption. Either the Assessor alone, or the Board, with all three members agreeing, may deny an exemption. All Board members and the Assessor, in concurrence, are necessary to approve an exemption.

**Board of Review**

**Minutes**

**THURSDAY, MARCH 24, 2011**

**11:15 A.M.** - The following listing is for Assessor Changes. Between the time the Assessment Change Notices are sent, and the start of the Board of Review, property owners may have their new assessments reviewed by members of the Assessing staff. If a change is warranted, staff is authorized to make it. An affidavit is signed by the owner, and initialled by the Appraiser, and the change is effected. Once the Board opens, staff may still recommend a change that the owner can agree to, and in this instance, an affidavit is signed by the owner, and submitted to the Board of Review for concurrence. It is interesting to note that all of these change occurred in parcel number order.
