# **Lean & Green Michigan™ PACE Program**

## **Executive Summary**

Public Act No. 270 of 2010 (“Act 270”), MCL 460.935 et. seq., authorizes local units of government to adopt Property Assessed Clean Energy (“PACE”) programs to promote the installation of energy efficiency improvements and renewable energy systems by owners of commercial or industrial property within a district designated by the local unit of government. Act 270 allows private commercial lenders to finance energy projects; authorizes local units of government to issue bonds, notes and other indebtedness; and authorizes the assessment of properties for the cost of the energy projects. Act 270 provides for repayment to the local unit of government or the private lender through a voluntary property assessment. The property assessment remains with the property and has the same priority as other property tax and assessment liens in the event of foreclosure.

Lean & Green Michigan™ (“LAGM”) has developed a collaborative approach to PACE programs for local units of government by standardizing the administrative and legal process under which PACE programs are created and managed. Many local units of government throughout the state joined have or are in the process of joining LAGM utilizing a “shared services” approach to eliminate upfront and ongoing program costs and duplication. Further, this approach creates one efficient statewide market, allowing property owners, lenders and clean energy contractors to utilize a standardized process as they employ PACE financing in multiple jurisdictions throughout the state.

This documentation package includes the report required by Section 9 of Act 270 and provides model forms of documents for the PACE program. As many of the details of a PACE transaction are determined on a project-specific basis, adjustments to the model documents may be required to fit a particular transaction. Additionally, there are several blanks left in the documents that should be filled in when the corresponding information is known.

**PACE PROGRAM REPORT**

This Lean & Green Michigan™ PACE Program Report contains the information required by Section 9 of Act 270. Additional information is available from the City of Troy. The PACE Program and Report were approved by the City of Troy City Council on February 8, 2016, subsequent to a public hearing held on February 8, 2016.

## INTRODUCTION

In order to encourage economic development, improve property valuation, increase employment, reduce energy costs, reduce greenhouse gas emissions and contribute to the public health and welfare in City of Troy, the City Council established the City of Troy Property Assessed Clean Energy Program pursuant to Public Act No. 270 of 2010 (“Act 270”) by joining Lean & Green Michigan™ (“LAGM,” the “PACE Program” or “Program”). The PACE Program has identified specific sources of commercial funding to finance the implementation of energy efficiency improvements, renewable energy systems and energy projects within the City of Troy PACE district (which is coterminous with City of Troy jurisdictional boundaries).

The City of Troy Council passed a Resolution of Intent to create a PACE district by joining the Lean & Green Michigan statewide PACE program on February 8, 2016. The Council published its first version of this PACE Report thereafter, and held a public hearing on February 8, 2016. The Council passed a Final Resolution adopting this PACE program on February 8, 2016.

The purpose of this PACE Report (hereinafter the “Report”) is to fulfill the requirements of Act 270. Section 9 of Act 270 requires a Report that includes: a form of contract between City of Troy and the record owner; identification of an official authorized to enter into program contracts on behalf of City of Troy; a maximum aggregate amount for financing under the program; an application process and eligibility requirements; a method for determining interest rates, repayment periods and the maximum amount of assessment; explanation of how assessments will be made and collected; a plan for raising capital; information regarding reserve funds and fees of the program; a requirement that the term of the assessment not exceed the useful life of the energy project; a requirement of an appropriate ratio of the amount of assessment to the assessed value of the property; requirement of consent from the mortgage holder; provisions for marketing and participant education; provisions for adequate debt service reserve fund; quality assurance and antifraud measures; and a requirement for baseline energy audits, ongoing savings measurements and performance guarantees for projects over \$250,000 in assessments.

### **1. Form of PACE Contract**

A form of model PACE Special Assessment Agreement is attached as **Appendix A**. Individual property owners may negotiate project-specific terms to be included in an actual agreement based upon the specific energy efficiency and renewable energy improvements to be financed through the individual agreement, subject to the limitations set forth herein.

### **2. Authorized Official/PACE Administrator**

The City Manager of the City of Troy, or his designee (the “Authorized Official”) is authorized to enter into PACE Program contracts on behalf of City of Troy in consultation with Levin Energy Partners, LLC (“LEP”). The Authorized Official is further authorized to sign any agreement, documents or certificates necessary to facilitate the participation of property owners and to facilitate the purposes hereunder.

As part of Lean & Green Michigan™, LEP will act as PACE administrator and will manage City of Troy's PACE Program. LEP is authorized to negotiate with credit providers and PACE project participants to facilitate the use of the PACE Program and to assist PACE project applicants in obtaining owner-arranged financing.

### **3. Financing Parameters**

In establishing its PACE district, City of Troy intends for PACE projects to be funded only through owner-arranged private financing.

Owner-arranged and other financing from commercial lenders, as allowed under Act 270, Section 9(1)(g)(iii), are separate sources of financing. There is no limit on the maximum aggregate annual amount of financing provided by private commercial lenders under the program. The dollar amount for financing of a particular project will be established by the property owner seeking to make the property improvement and the commercial lender seeking to finance the energy improvements, as approved by LEP and the Authorized Official.

### **4. Application Process/Eligibility Requirements**

#### **Application Process:**

The application process for financing projects under the Program shall be that of LAGM. The current application form is attached as **Appendix B**. This form may be changed or amended as necessary by LEP.

#### **Eligibility Requirements:**

The eligibility requirements for financing projects under the Program shall be those of LAGM. Eligibility requirements may be changed or amended as necessary by LEP. The current list of eligibility requirements is attached as **Appendix C**.

### **5. Financing Terms of Assessments**

For funds supplied by commercial lenders, the interest rate for PACE special assessment installments shall be negotiated by the parties based on current market conditions.

The maximum allowable repayment period of a PACE special assessment must be included in the PACE Special Assessment Agreement and will be determined on a project-specific basis and shall not exceed the lesser of the useful life of the energy project paid for by the assessment or 25 years.

The maximum dollar amount of a PACE special assessment shall be negotiated on a project-specific basis between the property owner and the entity providing the financing based upon the specific energy efficiency improvement(s) and/or renewable energy system(s) included in the individual PACE Special Assessment Agreement.

## **6. Assessment Collection Process**

Within the parameters set forth herein, the Authorized Official will determine to:

- i.
- ii. Authorize one or more commercial lenders to provide financing to defray all or part of the cost of the energy improvements by special assessment upon the Special Assessment Parcel, which the Authorized Official will find is especially benefited in proportion to the costs of the energy improvements.

The Special Assessment Roll, attached as **Appendix E**, will be spread by the Authorized Official on behalf of City of Troy and without objection by the property owner to allocate one hundred percent (100%) of the PACE special assessment levy created hereby to the Special Assessment Parcel.

The PACE special assessment, as allocated by the Authorized Official on behalf of City of Troy without objection by the property owner, will be finally established against the property and the energy projects to be constructed on the Special Assessment Parcel. The PACE special assessment will be effective immediately upon the execution and delivery of the PACE Special Assessment Agreement by the property owner. The PACE special assessment may be paid in semi-annual installments pursuant to Section 13(2) of Act 270. The Authorized Official, on behalf of City of Troy, will confirm the Special Assessment Roll.

## **7. Financing Program**

LAGM has developed and will continue to develop an active roster of financial institutions, institutional investors and other sources of private capital available to finance PACE projects in Michigan. By participating in LAGM, City of Troy helps its constituent property owners gain access to private capital made available through the statewide program. City of Troy authorizes the use of owner-arranged financing from commercial lenders to finance qualified energy projects under the Program.

## **8. Reserve Fund**

By participating in LAGM, City of Troy assists its constituent property owners in taking advantage of any and all appropriate loan loss reserve and gap financing programs of the Michigan Economic Development Corporation (“MEDC”). Such financing mechanism can similarly be used to finance a reserve fund.

## **9. Fee Schedule**

Application, administration and program fees for record owners shall be those of LAGM. Administration and program fees will be determined on a project-specific basis and will depend on the size, nature and complexity of the energy project(s) and financing mechanism(s) involved.

## **10. Useful Life**

The maximum length of time allowable for repayment of a PACE assessment shall not exceed the lesser of the useful life of the energy project paid for by the assessment or 25 years and will be determined on a project-specific basis by LEP. Projects involving multiple energy efficiency improvements and/or renewable energy systems may aggregate the useful life of each improvement to determine an overall useful life figure for financing purposes. In aggregating the improvements, the property owner must appropriately weigh each improvement's dollar cost.

## **11. Property Eligibility Parameters**

The ratio of the amount of the assessment to the market value of the property must be appropriate and shall be set forth in the PACE Special Assessment Agreement for each project. In calculating the appropriate ratio, the parties may use either: 1) the market value of the property before the PACE project; or 2) the expected post-PACE project market value of the property — including the value of the project.

- If the parties calculate an appropriate ratio pre-project, energy projects shall generally not exceed 25% of market value of the property prior to the PACE project as agreed to by the parties using a proper measure such as a recent appraisal or two times the State Equalized Value.
- If the parties calculate an appropriate ratio that includes the value of the PACE project, total indebtedness of the property shall not exceed the market value of the property prior to the PACE project as agreed to by the parties using a proper measure such as a recent appraisal or two times the State Equalized Value, plus 75% of the value of the PACE project.

LEP and the Authorized Official may permit projects that exceed these values for reasonable cause on a case-by-case basis.

## **12. Mortgage Consent Requirement**

If a property is subject to a mortgage the record owner must obtain written consent from the mortgagee to participate in the Program. Proof of lender consent must be submitted before a Special Assessment Agreement may be executed. A form of model lender consent to participate in a PACE Program is attached as **Appendix G**.

## **13. Marketing Program**

LAGM has developed an ongoing marketing and participant education program. By joining LAGM, City of Troy gains access to this program and agrees to partner with LAGM in educating businesses in City of Troy about opportunities to save energy, save money and improve their property value. The City authorizes the use of City of Troy's logo by LAGM to be incorporated into the LAGM website and other communication vehicles. More information regarding the Program can be obtained at LAGM's website: [www.leanandgreenmi.com](http://www.leanandgreenmi.com); or at City of Troy's website at <https://www.troymi.gov/>.

**14. Quality Assurance and Antifraud Measures**

LAGM includes the following quality assurance and antifraud measures:

- i. Business integrity review on clean energy contractors conducted by Michigan Saves;
- ii. Background check process on clean energy contractors conducted by Michigan Saves; and
- iii. Other general due diligence as may be necessary or required.

**15. Audit Requirement**

As set forth in the PACE Program Application, a baseline energy audit must be completed before an energy project is undertaken. Each contract will require and provide adequate funding for monitoring and verification of energy savings throughout the life of the special assessment.

**16. Projects Over \$250,000**

As set forth in the PACE Special Assessment Agreement, energy projects financed with more than \$250,000 require ongoing measurements to establish energy savings and a guarantee from the contractor that the energy project will achieve a savings to investment ratio greater than one.

**17. Amendments to the Program**

A public hearing shall not be required to amend this Program. the City of Troy PACE program may be amended as necessary from time to time.

(b) The Special Assessment, as allocated by the Authorized Official with the consent of the Property Owner, is hereby finally established and levied against the Special Assessment Parcel as described on the attached **Appendix A** in the principal amount of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_) as stated on the Special Assessment Roll. The Special Assessment is effective immediately upon the execution and delivery of this Agreement by the Property Owner. The Special Assessment shall be paid by the Property Owner in INSERT NUMBER OF SEMI-ANNUAL INSTALLMENTS on the dates and in the amounts set forth in the payment schedule attached hereto as **Appendix C** (the "Payment Schedule"). The Special Assessment Roll and the Payment Schedule are hereby approved and confirmed by the Authorized Official on behalf of the City of Troy. The unpaid amount of the Special Assessment Roll shall bear interest from the date of execution and delivery of this Agreement at the Applicable Interest Rate, as calculated by the Lender in accordance with the terms of the Loan Documents, payable semi-annually on each date on which any installment of the Special Assessment is due in accordance with the Payment Schedule. Notwithstanding the foregoing, (i) if any installment of the Special Assessment or any interest due and payable on the Special Assessment Roll is not paid by the Property Owner when and as the same shall become due and payable in accordance with the provisions of this Section 4.01 or (ii) any "event of default" under the Loan Documents has occurred and is continuing, the unpaid amount of the Special Assessment Roll shall bear interest at the Default Rate as calculated by the Lender in accordance with the terms of the Loan Documents, for so long as such amounts remain unpaid or for so long as such "event of default" under the Loan Documents exists and is continuing. The City of Troy, the Property Owner and the Lender agree that the Lender shall be solely responsible for the determination from time to time of the Applicable Interest Rate and the Default Rate and the

amount of interest due and payable by the Property Owner on the Special Assessment Roll on each day on which interest thereon is due and payable as provided in this Agreement, and the Lender's determination thereof shall be binding on the Property Owner absent manifest error. The Property Owner and the Lender agree that the City of Troy shall under no circumstance have any obligation to determine the Applicable Interest Rate or the Default Rate or to calculate the amount of any interest payment due on the Special Assessment Roll as provided in this Agreement, and the City of Troy may conclusively rely upon the Lender's determinations thereof for the purpose of exercising and discharging all of the City of Troy's rights and obligations under this Agreement. The Lender agrees to provide, or cause to be provided, notice to the Property Owner and the City of Troy of the determinations of the Applicable Interest Rate and the Default Rate, as applicable, pursuant to this Section 4.01(b) at such times, and from time to time, as the Property Owner or the City of Troy may request.

**Section 4.02 Assignment of Special Assessment Payments to Lender.** At the request of the Property Owner and the Lender, and pursuant to Section 9(g)(iii) of Act 270, the City of Troy hereby irrevocably assigns to the Lender its right to receive all installments of the Special Assessment required to be paid by the Property Owner pursuant to this Agreement, whether in accordance with the Payment Schedule or upon prepayment of the Special Assessment in whole or in part in accordance with Section 4.06 of this Agreement, together with all payments of interest due and payable on the Special Assessment Roll at the Applicable Interest Rate or the Default Rate, as the case may be, as provided in Section 4.01(b) of this Agreement. In pursuance of the foregoing, the City of Troy, the Property Owner and the Lender agree that, except as provided in Section 4.05 of this Agreement, (i) all installments of the Special Assessment, whether payable in accordance with the Payment Schedule or upon prepayment of the Special Assessment in whole or in part in accordance with Section 4.06 of this Agreement, together with all payments of interest due and payable upon the Special Assessment Roll at the Applicable Interest Rate or the Default Rate, as the case may be, shall be paid by the Property Owner directly to the Lender when due at such address in the United States as may be designated by the Lender in writing to the Property Owner and the City of Troy, (ii) the City of Troy shall have no obligation or duty to include any installments of the Special Assessment on any tax bill issued by the City of Troy or to bill, collect or remit to the Lender any installments of the Special Assessment or any interest due and payable upon the Special Assessment Roll, and (iii) absent receipt by the City of Troy of written notice from the Lender of a payment default in accordance with Section 4.05 hereof, the City of Troy shall be entitled to conclusively presume that all installments of the Special Assessment and all payments of interest due and payable on the Special Assessment Roll have been made by the Lender to the Property Owner when due as required by the terms of this Agreement.

**Section 4.03 Property Owner's Consent to Special Assessment; Waiver.**

(a) The Property Owner hereby irrevocably consents to and confirms the creation of the Special Assessment Roll and the levy of the Special Assessment established pursuant to this Agreement and EXPRESSLY WAIVES ANY AND ALL CLAIMS CHALLENGING, AND DEFENSES TO, THE LEGALITY, VALIDITY, ENFORCEABILITY OR COLLECTABILITY OF THE SPECIAL ASSESSMENT, including, without limitation, all claims, causes of action and defenses arising from, relating to or otherwise based upon any theory of procedural defect concerning the approval of the Improvements, the establishment of the Special Assessment

District, confirmation of the Special Assessment Roll and the Payment Schedule, the City of Troy's right to place the Special Assessment lien on the Special Assessment Parcel, the collectability and due dates of the Special Assessment installments and interest due and payable on the Special Assessment Roll, or any other theory, claim, cause of action or defense arising at law or in equity. The Property Owner further waives notice of hearing and the right to file objections if and to the extent such rights exist under the City Charter or any special assessment ordinance of the City of Troy.

(b) Following the signing of this Agreement, no suit or action of any kind shall be instituted or maintained for the purpose of contesting or enjoining the collection of the Special Assessment, and the Property Owner, for itself and its successors in interest, lessees, purchasers, and assigns with respect to all or any part of the Special Assessment Parcel, hereby irrevocably waives its rights to contest the Special Assessment with any adjudicative body having jurisdiction over the subject matter, including, but not limited to, the Michigan Tax Tribunal.

(c) In addition to the conditions, covenants, warranties and representations contained in the Loan Documents, the Property Owner shall not sell, transfer, alienate or convey any of its interest in the Special Assessment Parcel without first having given written notice of the Special Assessment to any successors in interest, lessees, purchasers or assigns and having made a copy of this Agreement part of any purchase contract, sale contract, lease agreement, deed or any other conveyancing instrument by which the Property Owner purports to assign all or any part of its interest in the Special Assessment Parcel to any successors in interest, lessees, purchasers, licensees, transferees and any other assigns. This Agreement shall be recorded against the real property constituting the Special Assessment Parcel by the City of Troy with the Register of Deeds of the County of Oakland, State of Michigan.

(d) The Property Owner agrees that it, its successors and assigns shall, during the term of this Agreement and the Special Assessment, pay all ad valorem real property taxes and assessments levied against the Special Assessment Parcel when due and the Property Owner specifically waives, irrevocably for itself, its successors and assigns as to any and all portions of the Special Assessment Parcel, the right to pay ad valorem real property taxes and assessments on any other installment method which may be available to property owners in the City of Troy.

(e) The City of Troy agrees that following (i) payment by the Property Owner in full of the Special Assessment, together with all accrued interest on the Special Assessment Roll, and all other interest, charges and penalties which may accrue thereon, and (ii) receipt by the City of Troy of written acknowledgment from the Lender that the Special Assessment, together with all accrued interest on the Special Assessment Roll, has been paid to the Lender in full, it will promptly execute and deliver documentation discharging the lien of the Special Assessment on the Special Assessment Parcel. Until the Special Assessment liability has been fully satisfied and the lien discharged, each purchaser of all or any part of the Special Assessment Parcel, as a condition of closing on such purchase, shall execute and deliver to the City of Troy a written notice: (i) acknowledging the principal amount unpaid and outstanding on the Special Assessment; (ii) agreeing to the assumption of the liability to pay the Special Assessment, and any interest thereon, on a timely basis, when due, until the remaining balance and interest on said Special Assessment has been paid in full; and (iii) agreeing to pay to the Lender at or prior to the close of the purchase all past due installments of the Special Assessment and all past due

payments of interest on the Special Assessment Roll. The representations set forth in such written notice shall be enforceable at law and in equity, including without limitation, by way of specific performance.

**Section 4.04 Lien.** The Special Assessment is an obligation with respect to the Special Assessment Parcel, and shall, until paid, be and continue to be a lien upon the Special Assessment Parcel for the amount of the Special Assessment and all interest, charges and penalties which may accrue thereon. Such lien shall be of the same character and effect as liens created pursuant to the City Charter of the City of Troy for City taxes and shall be treated as such with respect to procedures for collection as set forth in the General Property Tax Act and the City Charter of the City of Troy, including accrued interest, charges and penalties. The Special Assessment confirmed hereby is a debt to the City of Troy from the Property Owner and its successors in interest, lessees, purchasers and assigns. The right of the City of Troy to receive all installments of the Special Assessment required to be paid by the Property Owner pursuant to this Agreement, together with all payments of interest due and payable on the Special Assessment Roll at the Applicable Interest Rate or the Default Rate, as the case may be, as provided in Section 4.01, has been irrevocably assigned by the City of Troy to the Lender in accordance with the provisions of Section 4.02 of this Agreement. No judgment or decree shall destroy or impair any lien of the City of Troy upon the premises assessed for such amount of the Special Assessment as may have been equitably or lawfully charged and assessed thereon. Failure of the Property Owner or any subsequent property owner to receive any notice required to be sent under the provisions of the City Charter or this Agreement shall not invalidate the Special Assessment or the Special Assessment Roll and shall not be a jurisdictional requirement.

**Section 4.05 Payment Default.**

(a) If any installment of the Special Assessment or interest due on the Special Assessment Roll shall not have been paid by the Property Owner to the Lender, as assignee of the City of Troy, at the time and in the amount required by Section 4.01 hereof (a "Payment Default"), the Lender shall, not later than [thirty (30)] days following the date such sums were due and payable (the "Payment Default Date"), deliver written notice to the Treasurer of the City of Troy by registered or certified mail, with a copy to the notice parties of the City of Troy set forth in Section 8.03 hereof, stating all of the following: (i) that a Payment Default has occurred under this Agreement; (ii) the Payment Default Date; (iii) the amount of the installment of the Special Assessment that was due and payable on such Payment Default Date and which remains unpaid and the amount of interest on the Special Assessment Roll that was due and payable on such Payment Default Date and which remains unpaid (collectively, the "Payment Default Amount"); and (iv) an attestation by an authorized representative of the Lender that (x) no portion of the Payment Default Amount specified in the foregoing notice has been included in any previous notice delivered to the City of Troy pursuant to this Section 4.05(a) and (y) the statements contained in the foregoing notice are true, correct and complete as of the date of such notice. Upon receipt of such notice from the Lender, the City of Troy shall take such actions as may be required to cause the Payment Default Amount to be certified for collection and to be included on the summer or winter tax bill next succeeding the Payment Default Date, and such Payment Default Amount shall be collected at the same time and in the same manner as is prescribed for the collection by the City of Troy of property taxes under the General Property Tax Act and the City Charter of the City of Troy. Notwithstanding the foregoing provisions of

this Section 4.05(a), if the notice of the Lender described in this Section 4.05(a) is not received by the Treasurer of the City of Troy at least forty-five (45) days prior to the date of the summer or winter tax bill next succeeding the Payment Default Date, then the City of Troy shall not be obligated to place the Payment Default Amount for collection on the summer or winter tax bill next succeeding the Payment Default Date, but shall instead place the Payment Default Amount for collection on the first summer or winter tax bill issued thereafter for which the Treasurer of the City of Troy has received at least forty-five (45) days prior notice of the Payment Default as provided in this Section 4.05(a). The City of Troy shall be entitled to conclusively rely upon any notice of the Lender delivered pursuant to this Section 4.05(a) as to the existence of a Payment Default and as to the Payment Default Amount, and shall not be liable to the Property Owner or to any other person for any action taken by the City of Troy pursuant to the terms of this Agreement or otherwise in reliance upon the information contained in such notice. Absent receipt by the City of Troy of written notice from the Lender of a Payment Default in accordance with this Section 4.05(a), the City of Troy shall be entitled to conclusively presume that all installments of the Special Assessment and all payments of interest due and payable on the Special Assessment Roll have been made by the Property Owner to the Lender when due as required by the terms of this Agreement, and the City of Troy shall have no obligation or duty to include any installments of the Special Assessment on any tax bill issued by the City of Troy or to bill, collect or remit to the Lender any installments of the Special Assessment or any interest due and payable upon the Special Assessment Roll.

(b) The City of Troy hereby agrees that, pursuant to the irrevocable assignment set forth in Section 4.04, it will cause to be paid over to the Lender all amounts received by the City Treasurer as collections of any Payment Default Amount that has been placed on any summer or winter tax bill in accordance with Section 4.05(a) hereof, and that has not been returned to the County Treasurer of the County as delinquent, within forty-five (45) days of the date such sums are received by the City Treasurer. The parties hereto expressly acknowledge and agree that in no event shall the City of Troy advance to the Lender the amount of any unpaid Payment Default Amount, and the City of Troy shall be obligated to pay over to the Lender only such sums as are actually received by the City Treasurer as collections of any Payment Default Amount that has been placed on a summer or winter tax bill as provided in this Section 4.05, without interest thereon (other than interest on the Special Assessment Roll payable by the Property Owner pursuant to Section 4.01(b) that has been collected by the City Treasurer as part of the Payment Default Amount).

(c) If any Payment Default Amount included in a summer or winter tax bill in any year shall remain unpaid as of the last day of February of the following year (the "Delinquent Payment Amount"), the City of Troy shall return the Delinquent Payment Amount to the County Treasurer of the County for collection pursuant to the General Property Tax Act in the same manner and with like effect as returns by the City of Troy of delinquent City taxes. If the Treasurer of the County shall thereafter pay to the Treasurer of the City of Troy all or any portion of the Delinquent Payment Amount from the delinquent tax revolving fund established by the County pursuant to the General Property Tax Act, the Treasurer of the City of Troy shall hold the funds received from the County with respect to the Delinquent Payment Amount in escrow in a separate account established on the books of the City of Troy for such purpose (the

“Escrow Account”). All funds credited to the Escrow Account shall be applied by the Treasurer of the City of Troy for the following purposes and in the following order of priority:

(i) Until such time as the Treasurer of the County shall receive payment in full of the total amount of all unpaid delinquent taxes on the Special Assessment Parcel (including all Delinquent Payment Amounts), together with the total amount of all interest, penalties and fees payable thereon pursuant to the General Property Tax Act, all funds credited to the Escrow Account shall be maintained in the Escrow Account and shall be paid out only for the purposes described in this Section 4.05(c)(i). In the event that all or any portion of any Delinquent Payment Amount that has been paid to the City of Troy from the County delinquent tax revolving fund as described in Section 4.05(c) is subsequently recovered from or charged back to the City of Troy by the Treasurer of the County pursuant to Section 87b of the General Property Tax Act, the Treasurer of the City of Troy shall be authorized to withdraw from the Escrow Account funds in an amount sufficient, as determined by the Treasurer of the City of Troy, to reimburse the City of Troy for all or any portion of any Delinquent Payment Amount that has been recovered from or charged back to the City of Troy and for all interest and other amounts payable thereon. Funds withdrawn from the Escrow Account in accordance with the provisions of this Section 4.05(c)(i) shall be deposited in the General Fund of the City of Troy or as otherwise determined by the Treasurer of the City of Troy, and the Lender shall have no right or interest in any of such funds.

(ii) If (A) the Treasurer of the County shall receive payment in full of the total amount of all unpaid delinquent taxes on the Special Assessment Parcel (including all Delinquent Payment Amounts), together with the total amount of all interest, penalties and fees payable thereon pursuant to the General Property Tax Act, whether as a result of payment of such amounts by the Property Owner, redemption of the Special Assessment Parcel after forfeiture to the Treasurer of the County, sale of the Special Assessment Parcel at auction by the Treasurer of the County following the entry of a judgment foreclosing the Special Assessment Parcel, or otherwise, and (B) if the City of Troy shall have been reimbursed in full for all Delinquent Payment Amounts that have been recovered from or charged back to the City of Troy, together with all interest and other amounts payable thereon, as provided in Section 4.05(c)(i), then the balance remaining in the Escrow Account, if any, net of any amounts on deposit in the Escrow Account representing investment earnings on funds in the Escrow Account, shall be paid over to the Lender. [All amounts received by the Lender pursuant to the provisions of this Section 4.05(c)(ii) shall be credited against unpaid installments of the Special Assessment and interest due on the Special Assessment Roll in the manner specified in the Loan Documents.]

(iii) All investment earnings on funds credited to the Escrow Account shall be deposited in the General Fund of the City of Troy or as otherwise determined by the Treasurer of the City of Troy, and the Lender shall have no right or interest in any of such investment earnings.

It is understood and agreed by the Lender that the County is not obligated to maintain or continue a delinquent tax revolving fund for the payment of delinquent taxes or assessments, and

that the City of Troy can make no representation that such a delinquent tax revolving fund will be maintained or continued or that the Treasurer of the County will purchase any Delinquent Payment Amount returned by the City of Troy in accordance with the provisions of the City Charter and the General Property Tax Act.

(d) In the event that any interest (other than interest on the Special Assessment Roll payable by the Property Owner pursuant to Section 4.01(b)), penalties, fees or other charges shall be imposed upon the Special Assessment Parcel or against the Special Assessment Roll or the amount of any unpaid Special Assessment pursuant to the City Charter of the City of Troy or the General Property Tax Act, either by the City of Troy or by the County, for the administration, billing, collection or enforcement of the Special Assessment created hereby, such amounts shall remain a debt of the Property Owner to the City of Troy or the Treasurer of the County, as their interests may appear, and shall not be deemed to have been assigned to the Lender pursuant to the terms of this Agreement or otherwise.

**Section 4.06 Prepayment of Special Assessment.** Subject to the provisions of the Loan Documents, including, without limitation, applicable prepayment penalties, the Property Owner may, upon sixty (60) days' written notice to the Lender and the City of Troy, prepay any installment of the Special Assessment specified in the Payment Schedule by causing to be paid to the Lender the amount of the installment to be prepaid, together with accrued interest thereon to the date of prepayment. If such prepayment of any installment is not received by the Lender on the date specified for prepayment, the Lender shall promptly deliver written notice to the City of Troy that such prepayment was not received by the Lender.

**Section 4.07 Invalidity; Cure.** In the event of any invalidity of the Special Assessment, the Authorized Official, at the request of the Lender, and if the City of Troy shall have received indemnity satisfactory to the Authorized Official for its costs and expenses (including reasonable attorneys' fees), shall, to the extent permitted by law, cause a new Special Assessment to be made for all or any part of the Improvements in accordance with Act 270 and the PACE Program, and the Property Owner, on behalf of itself and its successors in interest, lessees, purchasers, and assigns, hereby waives any objections to and agrees to the imposition of such new Special Assessment; *provided, however*, that the amount of the new Special Assessment shall not exceed the unpaid principal amount of the Loan at the time the new Special Assessment shall be established.

**ARTICLE V**  
**CONDITIONS PRECEDENT**

**Section 5.01 Conditions Precedent to the City of Troy's Obligations.**

The obligations of the City of Troy under this Agreement shall be subject to the satisfaction of the following conditions precedent prior to or contemporaneously with the execution and delivery of this Agreement by the City of Troy:

The Lender has not received, and is not relying on, any representations of the City of Troy with respect to the Property Owner.

## ARTICLE VII DEFAULT

**Section 7.01 Property Owner Event of Default.** If the Property Owner shall default in the performance of any covenant or agreement contained in this Agreement and such default shall continue for a period of ten (10) days after written notice thereof has been given to the Property Owner by the City of Troy, an “Event of Default” shall be deemed to have occurred under this Agreement.

**Section 7.02 Remedies for Property Owner Event of Default.** Upon the occurrence of an Event of Default as provided in Section 7.01 hereof, the City of Troy, after giving written notice as required, without further notice of any kind, and in addition to all other rights and remedies provided at law or in equity, shall be entitled to seek and obtain a decree of specific performance of this Agreement from a court of competent jurisdiction or to recover from the Property Owner any damages incurred by the City of Troy and any costs incurred by the City of Troy in enforcing or attempting to enforce this Agreement or the Special Assessment, including attorneys’ fees and expenses. Notwithstanding the foregoing, the parties hereto acknowledge and agree that the City of Troy shall not be obligated to institute any of the actions or proceedings or to exercise any of the remedies authorized by this Section 7.02 upon the occurrence of an Event of Default hereunder, and that its obligations with respect to the billing, collection and enforcement of the Special Assessment or any installment thereon shall be limited to those obligations set forth in Article IV of this Agreement. The Lender acknowledges that neither the Special Assessment nor any installment thereon can be accelerated, and that the amount payable to the Lender under the terms of this Agreement is limited to the amount of the installments of the Special Assessment required to be paid by the Property Owner pursuant to this Agreement, whether in accordance with the Payment Schedule or upon prepayment of the Special Assessment in whole or in part in accordance with Section 4.06 of this Agreement, together with all payments of interest due and payable on the Special Assessment Roll at the Applicable Interest Rate or the Default Rate, as the case may be, as provided in Section 4.01(b) of this Agreement.

**Section 7.03 City of Troy Default.** If the City of Troy shall default in the performance of any covenant or agreement on its part contained in this Agreement and shall fail to proceed in good faith to cure such default within sixty (60) days after written notice thereof has been received by the City of Troy from the Property Owner or the Lender, a “City Default” shall be deemed to have occurred under this Agreement.

Neither the occurrence of a City Default nor the institution of any proceeding or the exercise of any remedy upon the occurrence of a City Default shall negate or diminish the obligations of the Property Owner hereunder to pay the installments of the Special

Assessment and interest accrued on the Special Assessment Roll and all other costs hereunder when the same shall become due and payable.

**Section 7.05 Waiver.** Failure of any party hereunder to act upon discovery of a default or to act upon the existence of an Event of Default shall not constitute a waiver of the right to pursue the remedies provided herein.

### PROGRAM ELIGIBILITY REQUIREMENTS

Property is privately owned commercial or industrial real property within Troy's jurisdictional boundaries, which may be owned by any individual or private entity, whether for-profit or non-profit. MCL 460.933(g). Multi-family residential property is included in the definition of commercial property.

There are no delinquent taxes, special assessments, or water or sewer charges on the property. The Authorized Official at his or her discretion, may disqualify properties that although not currently delinquent, have been delinquent within six months of the application's submission. MCL 460.941(2)(a).

There are no delinquent assessments on the property under a PACE program. MCL 460.941(2)(b).

The term of assessment shall not exceed the lesser of the useful life of the energy project paid for by the assessment or 25 years. Projects that consist of multiple energy efficiency improvements or renewable energy systems with varying lengths of useful life may blend the lengths to determine an overall assessment term that does not exceed the useful life of the improvements in aggregate. MCL 460.939(i).

An appropriate ratio must be determined for the amount of assessment in relation to the assessed value of the property. In calculating the appropriate ratio, the parties may use either: 1) the market value of the property before the PACE project; or 2) the expected post-PACE project market value of the property — including the value of the project.

- If the parties calculate an appropriate ratio pre-project, energy projects shall generally not exceed 25% of market value of the property prior to the PACE project as agreed to by the parties using a proper measure such as a recent appraisal or two times the State Equalized Value.
- If the parties calculate an appropriate ratio that includes the value of the PACE project, total indebtedness of the property shall not exceed the market value of the property prior to the PACE project as agreed to by the parties using a proper measure such as a recent appraisal or two times the State Equalized Value, plus 75% of the value of the PACE project. MCL 460.939(j).

Written consent from the mortgage holder must be obtained if the property is subject to a mortgage. MCL 460.939(k).

A baseline energy audit must be conducted for the property that is approved by LEP and the Authorized Official. Such approval may be granted retroactively if the audit meets the standards of LEP. MCL 460.939(o).

For projects financed for more than \$250,000, a performance guarantee must be provided by the contractor(s) to guarantee a savings to investment ratio greater than one (1). MCL 460.939(p). The performance guarantee must meet the standards set by LEP.

For projects financed for more than \$250,000, an agreement for ongoing verification and measurement of energy savings that meet standards set by LEP. MCL 460.939(p).
