

The Troy Fire Department is celebrating its 75th Anniversary in 2015. To help recognize this accomplishment, the TFD has decided to hold an amateur radio special event from June 1, 2015, to December 31, 2015. Special Event operations will occur at various times on various bands.

Both the Fire Chief and the Assistant Fire Chief are licensed hams, as well as several of the department's volunteer firefighters. Opportunities will be provided for hams to work the event from the TFD auxiliary EOC using the Icom 746Pro on HF/SSB/Phone, or the Yaesu FT-7800 and/or the Kenwood TM-V71A on 2M and 70CM FM.

A special QSL card (3.5"x5.5") will be made available for interested hams who send a SASE to the TFD administrative headquarters at:

Troy Fire Department
W8TFD
500 W. Big Beaver Rd.
Troy, MI 48084 USA

Watch for W8TFD DX Spots on the DX Cluster.
